Chiropractic EHR Essentials

Easy Charting with X-Ray, MRI, and CT Images

Conveniently access and annotate X-rays, MRIs, and CT images using Free Draw from your iPad or iPhone, or take photos with your device for immediate charting and add them instantly to your clinical note.

Pre-built Chiropractic SOAP Note Forms and Travel Cards

Quickly edit and customize pre-built Chiropractic forms in the DrChrono Form Library. Finish any standard SOAP, workers' compensation, or auto-accident form in a minute or less.

Full Suite of Patient Scheduling Tools

Use our patient portal scheduler, website widget, Zocdoc, or any other integrated 3rd party scheduling service. Automatically send any combination of text, phone, and email reminders.

Chiropractic ICD-10/CPT/Custom Codes

Automatically populate any combination of Chiropractic-specific codes into your forms to simplify both insurance and patient payment billing processes.

Improve Your Profitability with Full Service RCM

There are more chiropractic private practices than of any other healthcare specialty, but their average collection rate is lower in comparison. With DrChrono's full revenue cycle management (RCM) service, you can maximize your revenue collection with 97% clean claims submission rate, 48-hour turnaround time on denials, and 79% of claims paid within 30 days.

Have any further questions about DrChrono Chiropractic EHR or interested in scheduling a private demo? Please email us at ehr@drchrono.com and we would be happy to answer your questions and help you evaluate how DrChrono can help your practice.

Run Your Practice Your Way

Optimal Productivity with Integrated EHR

End-to-end solution that seamlessly integrates patient engagement, scheduling, clinical workflow, and medical billing, eliminating double entry. Enter patient information once and data gets automatically passed to clinical charting, e-prescription, lab orders, and billing.

Powerful Patient Engagement Solution

Complete system with scheduling, pre-appointment insurance eligibility check, and automated email/text/phone reminders. Patients will have access to a HIPAA-compliant patient portal with secure messaging to communicate with providers at any time.

Sending and Receiving Referrals

With an extremely easy eFax integration, you can attach an in-coming received fax directly to a specific patient chart or send a specific note from a patient chart. You can also communicate EHR to EHR with HIPAA-compliant direct messaging.

Full Featured EHR on iPad and iPhone

Voted #1 by Black Book for 6 years in a row, DrChrono EHR provides a full-featured, native EHR app on the iPad and iPhone. Access your daily schedule and detailed patient charts on your mobile device.

Fast Medical Claims

With direct integrations to iHCFA and clearinghouses like TriZetto and Emdeon, post ERAs and EOBs automatically to individual claims. You can automatically submit claims once you finish your notes. Never miss a claim or let your collections fall behind.

Save Credit Cards on File in Office or Patient Portal

Make it easier for patients to come through for a quick adjustment while reducing patient AR and days in AR by keeping patient credit cards on file.

Advanced Functionality

Chart in seconds with customizable medical forms, medical speech-to-text, and drawing options. Make, upload, and annotate a photo or image like a MRI directly on your EHR app.

Paperless Patient Check-in App and Kiosk

Check in patients with digital consent forms and assessment outcome forms on the iPad Kiosk in the office or from home through the patient portal. Automatically associate consent forms to specific appointment types and have patients sign them before the appointment. Have the assessment notes automatically populate within the SOAP note.

What Chiropractors are Saying About DrChrono

I've tried many EHRs and DrChrono is the best of the best! Easy to use and customize. Very functional features that help make my daily life in the office much easier. I love the text reminders, patient flag feature, ease of uploading files to a patient's chart, and faxing documents.

- Dr. Melissa A. Bartoszewski

My colleagues, staff, and patients love DrChrono; our practice is much more efficient and practical since DrChrono.
